

GIRDLETS' SCHOLARSHIP REGULATIONS FOR 2022 SCHOLARSHIP

Note: these regulations apply only to applications submitted in 2021 for applicants intending to commence study at the University of Cambridge in 2022

The Worshipful Company of Girdlers can trace its foundation to medieval times as a guild or fraternity of craftsmen. While retaining its association with the trades and government of the City of London, it is now concerned with charitable works and the fellowship of its members.

The Company has had an association with New Zealand since 1933 and in 1952 resolved to set aside part of its income for the purpose of a scholarship to enable distinguished New Zealand school students to undertake a degree course at either Oxford or Cambridge. It is now specifically Corpus Christi College, Cambridge.

Universities NZ administers this scholarship for the Girdlers' Company and a Selection Committee is appointed to nominate one student each selection year. This nomination is then forwarded to the Girdlers' Company and to Corpus Christi College for their confirmation.

The value of the award is approximately £45,000 per annum for three years, and will cover all University and College fees, accommodation costs in Corpus Christi accommodation, and some living expenses (but not flights).

For the 2022 round the scholarship is available for candidates wishing to study in the following disciplines: **Anglo-Saxon, Norse, and Celtic; Archaeology; Asian and Middle Eastern Studies; Classics; Economics; Education; English; History; History and Modern Languages; History and Politics; History of Art; Human, Social, and Political Sciences; Land Economy; Law; Linguistics; Modern and Medieval Languages; Philosophy; Theology, Religion, Mathematics, and Philosophy of Religion.**

Candidates wishing to study degrees not listed above are ineligible for the scholarship.

During their residence at Cambridge, the Scholars' personal wellbeing and academic progress will be monitored by members of the Girdlers' Company through visits each term to Corpus Christi, by discussions with the Senior Tutor and other members of the Faculty and through meetings at Girdlers' Hall in London at such times as the Scholars are invited to attend various functions hosted there.

The purpose of the scholarship is to provide New Zealand students who have distinguished themselves in their school in New Zealand with the benefit of residence within Cambridge University, not only to take an honours degree but to broaden their outlook by taking advantage of their experience as undergraduates at Corpus Christi College and Cambridge University.

As well as achieving academic qualifications, special consideration will be given to the all-round qualities of the candidates and the contribution that he or she might make in the future to developments in New Zealand.

The Company intends that, after completion of their studies, Scholars will use their education in ways that are beneficial to New Zealand.

Universities NZ will review each application to ensure it is complete and that the applicant satisfies the eligibility criteria. All eligible and complete applications will be reviewed by the Selection Committee to determine a short list of candidates who will be invited to an interview. Candidates will also be required to attend an academic interview (by video) with Corpus Christi College.

The short list will be available in February. The interviews will take place in March.

No scholarship will be awarded to anyone who has not attended in person an interview with the Selection Committee. Arrangements for travel (if necessary) to the scholarship interview will be made by Universities New Zealand and all costs will be covered.

The successful candidate will be selected following assessment by the committee after consideration of the following evidence:

1. academic achievement during the course of schooling sufficient to satisfy the rigorous standards required by Cambridge University, informed by the results of the Corpus Christi academic interview.
